

Help Name the Accessible Community Garden

Community Living Hanover and Area along with members of the community are developing a fully Accessible Community Garden. The land has been generously donated by Hanover Flea and Framer's Market. We are asking members of the community to name the garden and design a logo for it.

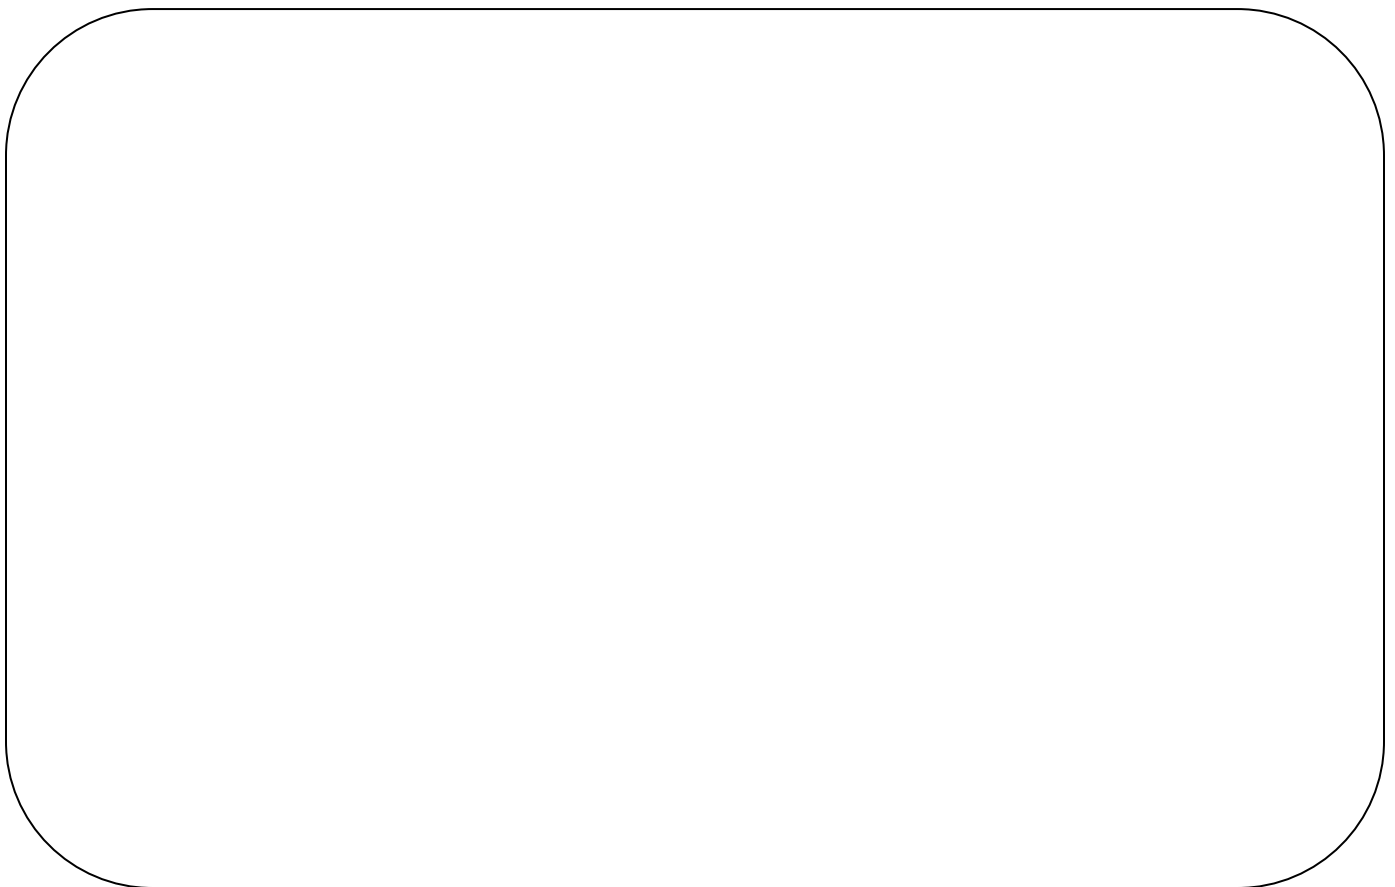

The contest is open to everyone! Children under 12 years of age can also name the play area. The selected entry will have their name recognized at the Community Garden, and used in for promotional purposes. Please submit your entries by using this form and send to rdowsling@harcinc.ca or drop off in person at 521 11th Ave, Community Living building (beside the Laundromat).

Contest Closes April 20, 2015

Garden Name: _____

Play Area Name: _____

Logo:

Submitted By: _____

Age if naming the play area: _____

***Please note that the selected entry (name and photo of individual) will be used for promotional purposes**
